Fokker DRI

Fokker DRI

- Red Baron, Red Baron! Undoubtedly the most famous fighter of World War 1, the Fokker triplane was a revelation when it entered service on the western front in 1917.
- This classic offered many great flying characteristics that made it a formidable opponent in WWI.
- This full scale replica offers the same appearance and character as the original version flown by the WWI ace Manfred von Richthofen, also known as the Red Baron.
- The Airdrome Aeroplanes replica has adopted modern construction techniques, today's engine technology and flight performance qualities that make this modern version a joy to fly!
